~~An act to add Section 48260.1 to, and to repeal Section 48260.5 of, the Education Code, relating to pupils.~~ *An act to amend Section 48260.5 of the Education Code, relating to pupils.*

LEGISLATIVE COUNSEL'S DIGEST

SB 477, as amended, Wright. Pupils: truancy.

(1) Existing law provides that a pupil subject to compulsory full-time education or to compulsory continuation education who is absent from school without valid excuse 3 full days in one school year, or tardy or absent for more than any 30-minute period during the schoolday without a valid excuse on 3 occasions in one school year, or any combination thereof, is a truant. Existing law requires, upon a pupil's initial classification as a truant, a school district to notify the pupil's parent or guardian using the most cost-effective method possible, which may include electronic mail or a telephone call, that the pupil is truant, and to communicate additional information relating to truancy, as prescribed.

~~This bill would repeal that provision regarding notification of truancy. The bill instead would require a school district to establish a policy for notifying a pupil's parent or guardian upon a pupil's initial classification as a truant.~~ *bill would require each school district to establish a policy specifying the time period for notifying the parent or guardian of a pupil upon the pupil's initial classification as a truant.* By requiring school districts to perform a new duty, this bill would impose a state-mandated local program.

(2) The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to these statutory provisions.

Vote: majority. Appropriation: no. Fiscal committee: yes.  
State-mandated local program: yes.
